# Davos Festival New Year's Concert with the Wendel Quartet

The Davos New Year's Concert, organised by the DAVOS FESTIVAL since 2011, marks the start of the new festival year and sets the first musical accent on what the concert audience can expect during the festival year.

## Programme

### On your marks, get set, go!

Works by Frank Bridge (Fantasy for Piano Quartet in F sharp minor, H. 94), Gustav Mahler (Piano Quartet Movement in A minor) and Gabriel Fauré (Piano Quartet No. 1 in C minor, Op. 15) will be performed.

## Wendel Quartet

The musicians of the Wendel Quartet say that it is a natural, beautiful bond of energy that connects them. A bond that has grown through careful listening and mutual sympathy since they founded their ensemble in 2024. The name Wendel is inspired by the German word "Wendepunkt" – a moment of change – and reflects their artistic vision and the

transformative power of chamber music. At the heart of their work is the search for musical honesty, the origins of which the Wendel Quartet always seeks in the score.

New Year's address by Landamman Philipp Wilhelm

After the concert, all participants are invited to a New Year's aperitif.

When: 5.00 pm (duration approx. 75 minutes)

Where: Congress Centre, Sanada Hall, entrance indoor swimming pool
