We warmly invite you to our festive Christmas concert at the Waldhotel Davos, which this year will be performed by the Rauch siblings. Music is very much alive in the Rauch family: from a very early age, Hannah, Sophie, Sebastian and Felix have been passionate players of the flute, violin, piano and cello.
As scholarship holders of the Deutsche Stiftung Musikleben and prize-winners at national and international competitions, these young musicians will perform a medley in various ensembles, featuring works by Schuhmann, Mel Bonis, Handel/Halvorsen and Christmas carols by Telemann, Bach and others.

Look forward to an atmospheric evening full of festive music with these young and exceptionally talented artists!

Dear guests

How lovely that we were able to spend the festive season with you!

We look back on many inspiring encounters, cheerful conversations, cosy moments and unforgettable memories. It was a great pleasure for us to celebrate with you, raise a glass and see out the old year together.

We hope you felt completely at home with us and are taking many lovely memories home with you. If you enjoyed your stay with us, we'd of course be delighted if you'd recommend us to others!

And because, as we all know, anticipation is half the fun, we're happy to book your favourite room for next New Year's Eve today, if you'd like. That way, nothing stands in the way of us seeing you again.

All that remains now is for us to wish you, from the bottom of our hearts, a happy, carefree and, above all, healthy New Year – filled with many wonderful moments and everything that makes life worth living.

Have a safe journey home, look after yourselves, and we hope to see you again very soon!
