

## The Waldhotel - etiquette for dogs (and dog owners)

### To a friendly cooperation!

Your dear four-legged friends, house-trained and with good manners, are also very welcome here!

However, we ask you to bear in mind that some guests may not like dogs as much as you do. As responsible dog owners, we practise mutual consideration.

### Our rules at the Waldhotel

#### Hotel | public area

We ask you to always keep your four-legged friend on a lead in and around the hotel.

#### Use of rooms

For all dogs we provide a **dog blanket and a dog bowl** for your stay with us. You will certainly also have a dog bed for your favourite with you. That's where he sleeps best.

Hotel beds and upholstered furniture, however, are not for the dog, but for the owner. We would like to thank you for not allowing your dog to jump up on, or sit or lie on the sofas or beds.

If you leave your room without your dog, please hang the card «**four-legged friend in room**» on the door so that the chambermaid does not enter the room. Ideally, dog owners should make arrangements with reception at check-in, when the room may be cleaned.

If you have a room with a balcony, your four-legged friend is also welcome to spend time there. However, please make sure that he does not get involved in a conversation with other dogs on other balconies while you are away.

Should you discover any damage in your room caused by other dogs, we ask you to report this to us as soon as you arrive. Otherwise, we reserve the right to charge for any damage or soiling incurred.

### **Walks | Excursions**

The forest is wonderful for masters and dogs to romp, play, run and experience adventure. Due to its location, the Waldhotel is therefore ideal for dog owners. However, we would be grateful if you could remove the worst of the dirt from your dog's paws before you enter the hotel with your pet. If your dog has gotten wet, please dry it off before entering the hotel. At the outside entrance to the ski cellar there are towels ready for you. You can then enter the hotel directly through the ski cellar.

Robidog bins with practical plastic bags are available in the village and along hiking trails for your four-legged friend's business.

### **Restaurant**

During mealtimes, we are happy for your little friend to wait in your room. If he is well behaved and stays calmly in his place, he can also come with you to the restaurant for dinner. Please let us know in advance so that we can allocate you a quiet table if one is available.

Out of consideration for other guests, we kindly ask you to leave your pet in your room during breakfast and not to take them into the breakfast room.

We wish you and your four-legged friend a wonderful stay!
